As the last strains of the well directed orchestra were last in the farthest corner of the crowded auditorium of the high school, Friday evening, and the curtain rose on the first act of "Green Stockings," a murmur of delight and approval greeted the review in the cast in commendation of the beauty and eloquence of the setting and the professional air about the stage.

Just Once! Try Dodson's Liver Tone!

Take No Calomel! Listen To Me!

If bilious, constipated, headachy or sick, I guarantee relief without taking dangerous calomel which sickens and salivates.

Stop using calomel! It makes you sick. Don't lose a day's work. If you feel lazy, sluggish, bilious or constipated, listen to me!

Calomel is mercury, or quicksilver, which causes poisons of the blood. Calomel, when it comes into contact with your bile, causes liver trouble, makes it up. This is when you feel that awful nausea and vomiting. If you are "all knocked out" if your liver is clogged and bile is stagnated or you have headache, dizziness, constipation, it breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful tonight, and if it doesn't straighten you right up and make you feel fine and vigorous by morning, I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is a real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one teaspoonful of Dodson's Liver Tone will put your system right to work and clear your bowels of that sick bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep the entire family feeling fine for months. Give it to your children. It is harmless. Dodson's price and they like its pleasant taste.—Ad.

TO THOSE WHO ACT AT THE ELEVENTH HOUR

My "Uncle Sam" insists upon calling it "the alley." Its real name is Sheldon Street and its right behind the Sheldon Hotel. But since the Big 4 Oil & Refining Company of Texas moved in just a month ago we've insisted on calling it "Wall Street."

Anyway, in that short time it has seen the birth of a half million dollar company possessing the capital, brains, nerve and "pep" to make a success of the fastest game in the world.

The number is 108. Our doors will be open till midnight Saturday, May 24th, to take care of orders at par till that time. He who lets Big 4 slip by at \$1.00 per share is asleep at the switch.
